

Date of issue: June, 2009

Author: Eric Esteve

PCIe IP Market Survey

INTRODUCTION	3
<i>PCI Express in short</i>	3
<i>Market overview</i>	3
<i>A snapshot of the visible PCIe market</i>	4
MARKET ANALYSIS	4
Market Segmentation	4
Key applications for PCIe Controllers by Region	5
Asia	5
Overview of PCIe market in Japan	6
North America	7
Europe	7
Percentage of market by PCI Express Topology	9
Percentage of market targeting embedded vs. plug-in card	9
PCISIG New Standards	10
PCIe Rev 2	10
I/O Virtualization	10
PCIe Rev 3	10
PCI-Express trends, impact of Gen2 and Gen3, by Application	11
Consulting services in conjunction with IP sales	13
Blocking issues for market expansion?	13
Other partnerships	13
COMPETITIVE ANALYSIS FOR PCIE PHY IP	14
Foundries PHY IP suppliers cross table	14
PHY IP: IP vendor list	15
SYNOPSYS	15
SNOWBUSH	15
ARM (Artisan)	16
RAMBUS	16
ANALOG BITS	16
ESILICON	16
PRISM CIRCUITS	17
JMICRON	17
FARADAY	17
MENTOR Graphics	17
PHYLINKS	17
PHY IP sold by Foundries	18
TSMC	18
UMC	18
AVAGO TECHNOLOGIES	18
IBM	18
RENESAS / NEC / SAMSUNG	18
FUJITSU	18
SMIC	19
Foundries Ranking	19
Prices of PCIe PHY	19
PHY license price by technology node in 2008	20
Mainstream technology node for design start (2007/2008)	20

Hardware platforms for verification 20

COMPETITIVE ANALYSIS FOR PCIE CONTROLLERS..... 22

Controller IP pricing..... 22

 Controller IP pricing: source code 22

 Pricing trends..... 22

 Controller IP pricing: encrypted netlist for FPGA..... 23

Controller IP vendors list 24

 SYNOPTIS, RAMBUS, SNOWBUSH, FARADAY 24

 PLDA..... 24

 INVENTURE..... 24

 GDA 24

 CADENCE..... 24

 CAST..... 24

 NORTHWEST Logic 25

 TALLIKA..... 25

 DENALI 25

 VIRAGE LOGIC..... 25

Market Analysis..... 26

 Market share in 2006 by top 5 vendors: global 26

 Market share 2006: Digital only..... 26

 Market share in 2007 by top 5 vendors: global 27

 Market share 2007: Digital only..... 27

 PHY and Controller Market split 28

 ASIC/ASSP Design starts evaluation for 2007..... 29

 PCIe Controller IP Licenses sold for ASIC/ASSP design start..... 29

 PCIe PHY IP Licenses sold for ASIC/ASSP design start 29

 Segmentation of the PHY Market (2007 data) 30

Market Evolution toward 2013 32

 PCI Express Forecast 2009-2013 32

Integrated Solution, the new paradigm in PCIe 33

 Partnership for Integrated solution IP vendors 33

 Partnership for Controller only IP Vendor 33

 Integrated IP solution: consequence on the market 34

 Commoditization of the PCIe function?..... 34

 PHY IP Differentiation 34

 Controller IP Differentiation 35

CONCLUSION..... 36

Publications (Free of charge) and Market Survey

"**MIPI IP Market Survey – 2010-2015 Forecast**" October 2010 - See: <http://www.ip-nest.com/index.php?page=survey>

"Explosion of MIPI IP penetration in Wireless allows pervasion in PC & Consumer Electronic segments" IP-SoC days, 18th October 2010 – Hsinchu

"Diffusion of USB 3.0 innovation, IP forecast for 2010-2015" IP-SoC days, 18th October 2010 – Hsinchu

"**Wired Interface IP Market Survey**" June 2010 - 2004-2009 Analysis, 2010-2015 Forecast.

"**Nand Flash Controller IP Market Survey – 2009-2014 Forecast**" January 2010

"Diffusion of USB 3.0 innovation, IP forecast for 2009-2010" IP-ESC'09 Conference, December 2009

"Wired Interface IP- and the winner is..." IP-ESC'09 Conference, December 2009

"**USB 3.0 IP Market Survey – 2009-2011 Forecast**" October 2009

"**PCI Express IP Market Survey**" June 2009 - Sold to most of the IP vendors!

"In 2010, PCIe, SATA and USB IP Market will represent...", IP'08 Conference, December 2008

"**SATA IP Market Survey**" May 2009 – Sold to the key actors of Storage Semiconductor.

"The PCIe IP Market consolidating. Is it necessarily the Commoditization of the PCIe IP?", IP'07 Conference, December 2007

"Case Study of PCIe as an On-board System Bus", PCI-SIG DevCon 2006 available on: <http://www.pcisig.com/events/devcon06/>

"Aspects of PCIe Integration in SoC Designs", PCI-SIG DevCon 2005 available on: <http://www.pcisig.com/events/devcon05/>
